In re: FY 27 Community Project Funding - Neighborhood Health at Lebanon

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Neighborhood Health at Lebanon in Fiscal Year 2027. The entity to receive funding for this project is the United Neighborhood Health Services, Inc., located at 2711 Foster Avenue, Nashville, Tennessee 37210. The funding would be used for constructing a new, permanent free-standing clinic for Neighborhood Health at Lebanon. The project is an appropriate use of taxpayer funds because it expands access to affordable healthcare and strengthens the community's long-term health infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

John Rose
Member of Congress
