The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the purpose of obtaining equipment to start a nuclear engineering degree program at Tennessee Technological University in fiscal year 2023.

The entity to receive funding for this project is Tennessee Technological University located at 1 William L. Jones Drive Cookeville, TN 38505.

The funding would be used for Tennessee Technological University to buy new equipment to reboot their Department of Nuclear Engineering program. This would provide undergraduate, and eventually graduate, education for students interested in working in the nuclear industry and developing new nuclear technologies for the benefit of society and the environment.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John Rose  
Member of Congress
