Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the City of Hendersonville for Hendersonville Public Safety Improvements at Signalized Intersections in the fiscal year 2025.

The entity to receive funding for this project is the City of Hendersonville, located at 101 Maple Dr N, Hendersonville, TN 37075.

This funding will be used for Installing backup generators and plug-in units at signalized intersections will ensure orderly traffic flow during power outages, increasing public safety for residents and motorists.

This project will be an appropriate use of taxpayer funds because it enables police officers to respond to other emergencies and priorities during power outages, rather than being tied to traffic control.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John Rose
Member of Congress
