Dear Chairman DeFazio and Ranking Member Graves,

I am requesting funding for Trousdale County Tennessee, in the Water Resources Development Act of 2022. The project sponsor for this project is Trousdale County located in Tennessee's Sixth Congressional District.

The purpose of this funding is to expand Trousdale County's water lines to meet the increasing need for drinking water. This project is an appropriate use of taxpayer dollars as Trousdale, Sumner, and Macon counties are growing and therefore need access to an increasing supply of drinking water.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John Rose
Member of Congress
