In re: FY 27 Community Project Funding - City of Hendersonville Pedestrian Safety and Connectivity Improvements in Sumner County, TN

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Hendersonville Pedestrian Safety and Connectivity Improvements in Fiscal Year 2027. The entity to receive funding for this project is City of Hendersonville, located at 101 Maple Drive North, Hendersonville, TN 37075. The funding would be used for improvements that address a critical need to enhance pedestrian safety and accessibility along the Sanders Ferry Greenway.

The project is an appropriate use of taxpayer funds by delivering essential safety and accessibility improvements to the newly constructed Sanders Ferry Greenway. The installation of controlled pedestrian crosswalks, flashing beacons, and LED solar lighting will significantly enhance the usability, security, and safety of the lakeside trail.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John Rose  
Member of Congress
