Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the City of Portland to extend a roadway near Gateview Elementary School in fiscal year 2024.

The entity to receive funding for this project is the City of Portland located at 100 South Russell Street, Portland, Tennessee 37148.

The project is an appropriate use of taxpayer funds because it would provide access to workforce housing, improve traffic safety in a school zone, and resolve a stormwater problem near the school.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 USC 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

John Rose
Member of Congress
