In re: FY26 Community Project Funding – City of Mt. Juliet Emergency Operations Center

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the City of Mt. Juliet emergency operations center in Fiscal Year 2026. The entity to receive funding for this project is the City of Mt. Juliet, located at 2425 N. Mt. Juliet Road, Mt. Juliet, TN 37122.

The funding would be used for construction, equipment, and furnishing of an emergency operations center in the new Mt. Juliet Police Headquarters.

The project is an appropriate use of taxpayer funds because it will enhance coordination during disasters, improve incident management capabilities, and ensure lives are saved and property loss is mitigated in our community.

The project has a federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

John Rose
Member of Congress
